Terms and conditions: Offer valid October 1, 2023 through December 31, 2023 for Europe only for customers who have not purchased one of the indicated RapID products in the last 12 months. A no-charge evaluation sample of R8309002, R8309003, and/or R8309004 is available to customers based in Europe who would like to evaluate the product with the purchase of one of the indicated RapID products. This promotion is subject to availability and while stocks last unless the promotion is earlier withdrawn by us; and we reserve the right to discontinue this promotion for any reason and without prior advance notice. Multiple single purchase orders of qualifying products can be made within the timeframe stipulated. Only requests made via this promotional form are valid. Requests will be void if prohibited by local law or policy and other restrictions may apply.

Availability of product in each country depends on local regulatory marketing authorization status.
